UNFINISHED BUSINESS

Yahchika Leonard

The Board proposed to deny Ms. Leonard's application for licensure by endorsement in September 2014 with the right to hearing before the Board due to discrepancies in her application as well as a conviction in 2013 for Driving Under a Suspended License. Ms. Leonard was notified of the Board's decision via certified mail dated September 28, 2014 and was advised that she had 20 days to request a hearing before the Board. Ms. Leonard did not respond, but recently contacted the Division stating that there was a "misunderstanding regarding information provided on her application and that she is not a Delaware resident and was only to be practicing in Delaware via telephone". She stated that she currently lives out of state and is unable to be present for a Board hearing. She requested the Board allow her to withdraw her application. After Board discussion, Ms. Halpern made a motion to allow Ms. Leonard to withdraw her application for licensure, seconded by Mr. Moore. The motion passed unanimously.

COMMITTEE REPORTS

Rules and Regulations/Legislative Committee

Dr. Zickafoose provided the report in Ms. Darling's absence. Dr. Zickafoose reported the committee has had two meetings since the last Board meeting. The current objective of the committee is to review the Refresher Course section of the Board's regulations with the intent of improving the Supervised Practice Plan and the clinical evaluation checklist. While reviewing the current regulations, the committee found that the education requirements in Section 2 needed to be revised as they were not reflective of current RN/LPN practice. The committee agreed that it was necessary to revise Section 2 of the Regulations before developing a new clinical evaluation tool/checklist. Dr. Zickafoose further reported that she received an inquiry from Delaware Health and Social Services concerning the requirement in the regulations regarding the need for social security numbers on Continuing Education (CE) provider rosters. With growing concerns over identity theft, the committee has recommended this requirement be eliminated. The committee recommended that in lieu of social security numbers,

participants be permitted to give contact information and/or affiliation. Ms. Nellius made a motion to remove the social security number requirement on CE rosters, seconded by Mr. Salati. By unanimous vote, the motion carried. The CE providers will be informed of this change and a rules and regulations hearing will be held in the future to eliminate this requirement.

PRESIDENT'S REPORT

Dr. Contino reported that he and Dr. Zickafoose attended the NCSBN special delegate assembly. The purpose of this special meeting was to vote on the new compact for LPN, RN, and also APRN licensure. He shared that the vote for the new compact was successful by a large margin. Dr. Contino explained the value of the meeting and the process of how the vote was conducted.

EXECUTIVE DIRECTOR'S REPORT

Dr. Zickafoose reminded the Board that she had previously sent them the most recent drafts of talking points concerning the new compact. She anticipates this new compact legislation could be introduced in the next legislative session. She advised the Board that Jennifer Childears tendered her resignation and would be accepting a new position with DNREC effective May 15, 2015. Ms. Childears has been with the Division for nine years and was commended for her service to DPR.

Mr. Mangler provided a legislative update. He reported the Midwifery bill was on the Senate agenda. A senate amendment was added that corrects a missing licensure requirement for a midwife who wants to practice in Delaware. Mr. Mangler reviewed the status of the Board's additional bills including the APRN title bill and Telemedicine bill. There will be a brief legislative recess until the first week of June at which time the APRN regulatory bill will hopefully be introduced.

NEW BUSINESS BEFORE THE BOARD

LICENSEE APPLICATION REVIEWS

By Examination

Ashanti Henry, GPN

Mr. Henry graduated from the Polytech Adult Education program in June of 2014. His criminal background showed Forgery 3rd Degree/Possession of a Written Instrument Knowing it was Made Altered and Assault Third Degree Intentionally or Recklessly Causing Physical Injury to Another. Mr. Henry answered "yes" to question #19 and stated that he was charged with a misdemeanor when he sold his car and cashed a check that was said to have been stolen. Mr. Henry submitted multiple letters of explanation, 2 letters of reference, and disposition paperwork. The Board discussed Mr. Henry's convictions of forgery in 2013. Ms. Tyranski made a motion, seconded by Ms. Halpern, to propose to deny Mr. Henry's application with the right to a hearing before the Board. By unanimous vote, the motion carried.

By Endorsement

Carol Armstead-Southall, LPN

Ms. Armstead-Southall graduated from Hamilton College in Iowa in 2007. She has not worked as an LPN since obtaining her license in Michigan. She submitted a letter to the Board that stated she has been unable to find a LPN Refresher Program in Delaware and requested a supervised practice plan as an alternative route to obtaining a Delaware LPN license. After Board discussion, Mr. Salati made a motion to grant Ms. Armstead-Southall a supervised practice plan, seconded by Ms. Lane. By unanimous vote, the motion carried.

Therese Wyre, LPN

Ms. Wyre graduated from the Baltimore City Adult Practical Nursing Program in 1982. Ms. Wyre does not have an active license to endorse into Delaware as her Maryland compact license expired in February of 2015. Ms. Wyre established residency in Delaware in 2012 and worked on her Maryland compact license in Delaware for approximately 2 years before applying here. The compact law states that the previous compact license is valid for 90 days after establishing residency in the new party state. As Ms. Wyre is a resident of Delaware she is not eligible for a license in another compact state. Ms. Singh advised the Board that under *Del. C. 24 §1916 (a)*, an applicant must have an active license in another jurisdiction at the time of application. After Board discussion, Mr. Sanders made a motion to continue Ms. Wyre's application as she does not meet this statutory requirement at this time, seconded by Ms. Udealer. By unanimous vote, the motion carried. A letter of explanation will be sent to Ms. Wyre advising her of the Board's decision and what steps she needs to take to be eligible for licensure.

Kathleen Raymond, RN

Ms. Raymond graduated from Duke University in 2004. Her criminal background check showed a Misdemeanor charge of Purchasing and Possession of Alcoholic Beverages by Persons Below Legal Age in 1997. Ms. Raymond answered "no" to question #25. She submitted a letter of explanation and stated that she did not consider this charge to be a conviction. A letter of explanation, 2 letters of reference, and disposition paperwork were submitted. After Board discussion, Ms. Udealer made a motion to grant Ms. Raymond a waiver for licensure, seconded by Mr. Brown. The motion carried by majority vote, with Mr. Salati opposing and Ms. Nellius absent at the time of the vote.

Jessica Coldwell, LPN

Ms. Coldwell graduated from Northwest Technical Institute in December 2006. Ms. Coldwell was previously licensed in the compact state of Missouri and her LPN license there lapsed in May 2013. She does not have a current active license in any other jurisdiction. She is not eligible to renew her compact license in Missouri as Delaware is now her primary state of residency. Ms. Singh reminded the Board that under *Del. C. 24 §1916 (a)*, an applicant must have an active license in another jurisdiction at the time of application. After Board discussion, Mr. Salati made a motion to continue Ms. Coldwell's application as she does not meet this statutory requirement at this time, seconded by Ms. Lane. By unanimous vote, the motion carried. A letter of explanation will be sent to Ms. Coldwell advising her of the Board's decision and what steps she needs to take to be eligible for licensure.
